### The Creative Process

#### **Jeff and Shaleia's Opening Prayer:**

I am the only child of God, forever part of Him.

I am created by Him in Perfection, and there I always remain.

My mind is my sanctuary where I keep His Holy Creation sacred.

I will only allow in His Voice. I will only accept His Word.

Today I will hear the Word of God.

I surrender myself to His Teachings through His Divine Channel.

I will honor what He has spoken and accept it as His Will.

I will be obedient to His Word, for this is my Salvation.

In Christ's Name, Om Amen.

### **Closing Prayer by Jeff & Shaleia**

Father, I accept Your Word into my heart.  
I will honor Your Will in my life and will follow You  
without hesitation anywhere You ask.  
I know you guide me into Your Heart, where I belong.  
I accept that You are everywhere, and your teaching is in  
all things.  
God, I know you provide me clarity in this teaching of  
Union that I may be forever in Union with you.

I accept that You are in me as You are in my brother.  
I will not deny my brother Your Word and will share  
Your Teaching with Him in any way You ask, and only as  
You ask.  
For when I share my salvation with him, I fully claim my  
salvation and return to You with him.

In Christ's Name, Om Amen.

*Speaking this prayer in your heart means you have  
accepted that you are on the path of awakening to  
your true Divine nature. This is what it means to be a  
Unionist. Follow the teachings of Union with God  
wherever you find them and purify your consciousness  
into Perfect Union with your Creator.*
