

ANNUAL REPORT

CHURCH OF UNION 2020

OUR MISSION AND VISION

The Church of Union is a one-year-old non-profit organization based on the teachings of Unionism. January 5th, 2020 marks the birth of the Church, with the streaming of our first ever Sunday Service.

The religion of Unionism evolved from the foundational spiritual teachings and Divine revelations provided by Jeff and Shaleia, housed in the Twin Flames Universe body of work. By supporting one's healing and encouraging a God-centered life, Jeff and Shaleia provided the core teachings of what was to become Unionism, perfectly complementing their previous work.

Unionism is the teaching of Love. It is Christ Consciousness, Union with God and sharing God with your brother. It is the consciousness of Love and Oneness. It is standing up for Love no matter what. It is God. A Unionist lives and embodies the teachings of Unionism, with Harmonious Twin Flame Union as the spiritual path.

The purpose of the Church of Union is to extend Unionism throughout the world in all ways. It is our vision to be a self-sustaining non-profit entity that creates wealth for all. To expand its vision, the Church of Union seeks partnerships to embed Unionism in current or developing products in existing companies that align with the core teachings of Unionism.

The Church of Union organizational community currently consists of four additional for-profit organizations: Twin Flames Universe, Mind Alignment Process Inc., Divine Dish, and Divine Gaming Inc. Each entity in the Church of Union community of organizations benefits from each other entity. The for-profit entities profit more because of the Church of Union, and the Church of Union benefits more because of the for-profit entities. All the businesses and those within them grow together in harmony with each other due to the reciprocal nature of the relationships between entities. Each entity the Church of Union partners with has a spiritual, altruistic purpose at the foundation of their product, to benefit humanity.

SPOTLIGHT: The Very First Sermon

The NEW WAY To Spiritually Ascend | Sunday Service January 5th 2020, marked the grand debut of the Church of Union.

On Paramahansa Yogananda's birthday, Jeff and Shaleia delivered the very first of many sermons to come.

"It's always ever been here. It's the teaching of Union, of Oneness. Of how beneath all other religions and spiritualities, they are only ever saying one thing, and that is ascending our vibration and realizing the separation is not real, that only Love is real, and in Love we are One." -

An excerpt from the first sermon with Jeff & Shaleia.

EXPANDING UNIONISM

SPOTLIGHT: Divine Gaming Inc. Initiative

"Volunteering as the CEOs of Divine Gaming Inc. has been one of the most fulfilling experiences of our lives. In 2020, we continued working with people who love what they do, in order to build Divine video games. By applying the Unionist principles, we have consolidated a dedicated team and project that continues to grow and transform every day. Of course, we also have a lot of fun and learn valuable life lessons along the way. By being volunteers for the Church of Union, we have grown to know ourselves better as people and are able to connect deeper with God through living our Life Purpose fully."

- Laurentiu and Alexandra Benzar, CEOs of Divine Gaming Inc. -

Divinē Gaming

The purpose of Divine Gaming Inc. is to create video games that infuse the teachings of Unionism in them, resulting in a Divine gaming experience. The main project we are working on right now, Nightmare Craft, is a complex and in-depth re-envisioning of the popular video game Minecraft. It transforms the traditional player experience by adding an emotional and compelling storyline, in which the player is put through the trials of the game. Survival, fighting custom monsters, building up your base and setting yourself up for success, interacting with the townspeople, encountering your favorite magical creatures (Fancy riding a Unicorn or a Mythical Dragon?), and conquering the great evil lurking below using custom weaponry, wits and the power of friendship.

Are you ready for it?

THE UNIONIST PRAYERS

Opening Prayer

I am the only child of God, forever part of Him.

I am created by Him in Perfection, and there I always remain.

My mind is my sanctuary where I keep His Holy Creation sacred.

I will only allow in His Voice. I will only accept His Word.

Today I will hear the Word of God.

I surrender myself to His Teachings through His Divine Channel.

I will honor what He has spoken and accept it as His Will.

I will be obedient to His Word, for this is my Salvation.

In Christ's Name, Om Amen.

Closing Prayer

Father, I accept Your Word into my heart.

I will honor Your Will in my life and will follow You
without hesitation anywhere You ask.

I know you guide me into Your Heart, where I belong.

I accept that You are everywhere, and your teaching is in all things.

God, I know you provide me clarity in this teaching of
Union that I may be forever in Union with you.

I accept that You are in me as You are in my brother.

I will not deny my brother Your Word and will share
Your Teaching with Him in any way You ask, and only as You ask.

For when I share my salvation with him, I fully claim my
salvation and return to You with him.

In Christ's Name, Om Amen.

Speaking this prayer in your heart means you have accepted that you are on the path of awakening to your true Divine nature. This is what it means to be a Unionist. Follow the teachings of Union with God wherever you find them and purify your consciousness into Perfect Union with your Creator.
